### Registration Fees

The fee to register your enrolment on the HND programme with the awarding organisation (Pearson) is **£265 (Subject to confirmation of fee)**. If you have approved Student Finance England funding (via Student Loans Company), Regent College will pay your registration to Pearson directly. If your funding is not approved, or if you will be paying for your course privately, **you** are responsible for paying the **£265 (Subject to confirmation of fee)** and will not be fully enrolled on the programme until it is paid. Payment must be made during the first two weeks of the course; if you are unable to pay the registration fee, you will be asked to defer to a later cohort (i.e. start your programme in a few months' time when your funding is approved or you are able to make the payment).

If at any point you decide to leave the course before completion, and you have been funded by SLC, you may be asked to refund the registration fee, which covers the cost of your certification and is valid for five years.

### Privacy notice for applicants – use of your personal data

Under Data Protection law, individuals have a right to be informed about how the College uses any personal data that we hold about them. We comply with this right by providing ‘privacy notices’ (sometimes called ‘fair processing notices’) to individuals where we are processing their personal data.

This privacy notice explains how we collect, store and use personal data about pupils.

We, Regent College Higher Education, are the ‘data controller’ for the purposes of Data Protection law.

Our Group Data Lead is Mrs. Tharshiny Pankaj, who can be contacted on Telephone Number: 0208 966 9900 or Email: [Tharshiny.pankaj@regentgroup.org.com](mailto:Tharshiny.pankaj@regentgroup.org.com)

### The personal data we hold

Personal data that we may collect, use, store and share (when appropriate) about students includes, but is not restricted to:

- Contact details, contact preferences, date of birth, identification documents
- Results of internal assessments and externally set tests
- Student and curricular records
- Exclusion information
- Attendance information
- Photographs
- CCTV images captured in school
- “Special category” characteristics, such as sex, gender identity, nationality, ethnic background, information about any impairment, health condition or learning difference and any necessary support needs, religion/belief and sexual orientation

We may also hold data about students that we have received from other organisations such as Pearson (our validation partner), Government Departments such as the Home Office or the Student Loans Company. Where we obtain personal data from third party sources, we will look to ensure that the third party has lawful authority to provide us with your personal data.

# Higher National Diploma (HND)

## Application Form 2019/20

### Why we use this data

We use this data to:

- Support student learning
- Monitor and report on student progress
- Provide appropriate pastoral care
- Protect student welfare
- Fulfil our statutory obligations as a registered provider of Higher Education, for example by submitting data to the Higher Education Statistics Authority (HESA), the designated data body of the Office for Students as required by the Higher Education and Research Act (2017)

### Our legal basis for using this data

At Regent College Higher Education, we only collect and use student's personal data when the law allows us to. Most commonly, we process it where:

- We need to comply with a legal obligation
- We need it to perform an official task
- Internal organisation and management of the college
- Collection of the data is necessary for statistical research purposes to help public authority data controllers to meet their public-sector equality duties under the Equality Act 2010 (this applies to special category personal data detailed above)

Less commonly, we may also process student's personal data in situations where:

- We have obtained consent to use it in a certain way
- We need to protect the individual's vital interests (or someone else's interests)

Where we have obtained consent to use your personal data, this consent can be withdrawn at any time. We will make this clear when we ask for consent, and explain how consent can be withdrawn.

Some of the reasons listed above for collecting and using your personal data overlap, and there may be several grounds, which justify our use of this data.

## Application Form 2019/20

### Collecting this information

### How we store this data

We keep personal information about students while they are attending the College. We may also keep it beyond their attendance at our College if this is necessary in order to comply with our legal obligations. Our records management policy sets out how long we keep information about students. If you would like a copy of our records management policy please contact the Group Data Lead.

### Data sharing

We do not share information about students with any third party without consent unless the law and our policies allow us to do so. Where it is legally required, or necessary (and it complies with Data Protection law) we may share personal information about students with:

- The Department for Education
- The students' family and representatives (with the student's consent)
- Educators and examining bodies
- Our regulator the Office for Students

HESA will retain the full dataset for the uses described in the Student Data Collection Notice by HESA (which can be found here: <https://www.hesa.ac.uk/about/regulation/data-protection/notices>)

### Transferring data internationally

Where we transfer personal data to a country or territory outside the European Economic Area, we will only do so with your consent.
